Prior Council Action: May 25, 2006, by Resolution No. 20060525-051

As a result of Hurricanes Katrina and Rita, residents of the disaster area in the Gulf Coast states (both before and after the storm) evacuated that area to seek shelter. Evacuees who relocated to the State of Texas were temporarily sheltered in the Austin metropolitan area and surrounding counties. This supplement to the FEMA Public Assistance Grant that was first accepted by Council on October 6, 2005, will help cover the costs incurred by several area agencies that participated in hurricane relief efforts, including: Austin/Travis County Mental Health and Mental Retardation, Travis and Williamson Counties and the Community Action and Development Network. Grant reimbursement will cover 100% of their eligible costs. The City of Austin is a sub-grantee for this grant provided by FEMA's Public Assistance Program, through the Texas Department of Public Safety, Governor's Division of Emergency Management.
